Strategic Thinking & STEM Innovation

Train strategic, logical thinking and mathematical reasoning through the interactive Caturmatik approach.

In-house or venue of your choice | Flexible duration | Certificate of participation | Course report

PROGRAMME OVERVIEW

RST's flagship programme uses Caturmatik — a copyrighted innovation combining chess and mathematics — as a tool to train planning, decision-making and problem-solving. Suitable for educators, leadership workshops and youth programmes.

TOPICS / MODULES

- Strategic Thinking
- Mathematical Reasoning
- Logical Decision-Making
- Cognitive Skills Development
- Teaching with Caturmatik (for educators)

LEARNING OUTCOMES

- Apply a strategic thinking framework to decisions
- Strengthen mathematical reasoning and mental arithmetic
- For educators: run Caturmatik sessions in the classroom

SUITABLE FOR

Educators and trainers, strategic thinking workshops, leadership programmes, and student and youth programmes.

TRAINER

Delivered by the RST Caturmatik Team — the creators and trainers of Caturmatik, who have run programmes in schools, mosques, libraries and higher-education institutions.

FORMAT & DELIVERY

- In-house at your premises or a venue of your choice
- Duration & modules tailored to your objectives
- Hands-on, interactive delivery
- Course report & certificate for every participant
- Formal quotation for government procurement (MOF code 221110)
