ABOUT US

A Bumiputera technology company born at UPM

Rocksolid Technology (RST) was founded in 2016 at the UPM-MTDC Technology Centre, Universiti Putra Malaysia. Led by a founder who served eight years at UPM's Faculty of Engineering, RST began as a supplier of laboratory and ICT equipment to university faculties, went on to create Caturmatik for mathematics education, and now offers professional training with a panel of expert trainers.

VISION

To be a recognised training provider in technology, engineering and professional development, empowering individuals and organisations to succeed in the digital economy.

MISSION

- Foster innovation, critical thinking and technical competence
- Deliver high-quality, industry-relevant training
- Supply quality products through efficient, transparent procurement
- Help organisations build a future-ready workforce

LEADERSHIP

Nik Hafizuddin bin Nik Ibrahim

Director

- B.Eng. (Hons) Computer & Communication Systems Engineering, UPM
- M.Sc. Computer Networking, UiTM
- 8 years at UPM Faculty of Engineering

CORE VALUES

Customer First | **People Development** | **Teamwork** | **Innovation** | **Integrity**

SERVICES

Three pillars, one reliable partner

01 · Training & Professional Development

Structured, hands-on and customisable programmes for government agencies, corporations and educational institutions — with a course report and certificate for every participant.

- Artificial Intelligence (AI) & Emerging Technology
- Occupational Safety & Health (OSH)
- Drone Technology & Applications
- Strategic Thinking & STEM Innovation
- IT Networking & Infrastructure
- Digital Marketing & Business Development
- Financial & Business Management

02 · Caturmatik — STEM Education

A copyrighted innovation combining chess and mathematics for pupils aged 7–12. A study at SK Buluh Nipis saw the Mathematics pass rate rise from 55% to 100%. Offered as workshops, one-term programmes, carnivals and competitions — and as a corporate CSR package.

03 · Government General Supplier

210101 · 210103 · 210109	ICT Hardware & Software
060101 · 060501	Laboratory Chemicals & Equipment
120602 · 220401	Fire Control & Firefighting
220601	Laboratory & Medical Equipment Maintenance
020601	Office Furniture & Stationery
221110	Training & Instructor Services
